

**International Actuarial Association  
Association Actuarielle Internationale**

November 1, 2019

Mr. Rassem Ktata  
President, Association Tunisienne des Actuares (ATA)  
21 rue de Garibaldi  
Tunis 1001  
Tunisia

Dear Mr. Ktata:

We are pleased to confirm that the Association Tunisienne des Actuares (ATA) was admitted as an Associate Member of the International Actuarial Association (IAA) by Council electronic vote on October 14, 2019.

In accordance with Articles 2.3 of our [Internal Regulations](#), Associate Members are entitled to appoint a non-voting representative to attend the IAA Council meetings and a Correspondent to act as a contact person with the IAA Secretariat. Once the ATA has appointed its representatives, please send this information to Tasha Lebel ([secretariat@actuaries.org](mailto:secretariat@actuaries.org)), Office Administrator at the IAA Secretariat. Tasha will provide them with access to the members' section of the IAA website which allows access to Council and committee documents.

In addition, your name will be added to various IAA distribution lists, including the Council distribution list and you will be invited to participate in our meetings that are held twice a year. Our next meetings will be held in Tokyo, Japan from 18-22 November 2019 and we hope that we will have the pleasure of welcoming a representative from the ATA at this event.

Dues for Associate Members are \$50 CAD per year (January 1 – December 31). Under certain conditions, the Secretariat can accept the payment of fees for a period of three (3) years in advance in order to reduce the financial burden on smaller associations in paying their dues. If your association is interested in paying its dues in advance for the next three (3) years, please advise the [Secretariat](#) and you will receive a revised invoice that will include the years 2020, 2021 and 2022.

We look forward to working with the ATA towards eventually upgrading to Full Member status. If you have any questions about your membership in the IAA, or the requirements for Full Member status, please contact Karla Zuniga-Cortes ([karla.zuniga@actuaries.org](mailto:karla.zuniga@actuaries.org)), Membership Administrator, at the IAA Secretariat.

We have also enclosed the IAA logo which we encourage you to use on your website or printed material. While all our member associations are welcome to use our logo to indicate their IAA membership status, it should not be misused or utilized to flaunt the association's membership status in the IAA. The IAA expects that their members act with honesty and integrity regarding other qualified actuaries and/or actuarial associations.

Welcome to the IAA and congratulations on your new IAA Associate Member status.

Yours sincerely,

Gábor Hanák  
President

Michael McDougall  
Chairperson, Membership Committee
